

Global Studies Guidelines

1. **Respect** yourself, your classmates and me.
2. **Give me your best effort!** If you need to make up a test, quiz or require extra help I arrive at school each morning by 7 a.m. or will stay after school on Wednesday until 4 p.m. Please tell me **one day** in advance if you are coming in early or staying after school on Wednesday.
3. Be responsible. **Each day** you are expected to be on time. You need to bring your ipad mini, notebook, pen or pencil and completed homework assignment.
4. Turn homework assignments in on time. Late assignments will receive **60%** credit.
5. Use my website **gs726.weebly.com** to to see what we did in class and what the assignment is for the next day.

I have read the follow guidelines and understand they will be used in Mr. Anderson's class during the school year.

The items listed below would be beneficial to have for Global Studies class.

1. **A folder that you can use for the handouts given in class.**
2. **Colored pencils or markers to use for the maps/projects that we do in class.**

Two goals that I have for Global Studies.

1.

2.

If I could visit any country, I would choose_____ . One interesting item about my country is:
